Velindre is Wales' premier Cancer Centre, providing care, support and treatment to cancer patients and their families for over 60 years. We want to lead in the delivery and development of compassionate, individualised and effective cancer care to achieve outcomes comparable with the best in the world. Donations to Velindre are used to fund things over and above those provided by the NHS, so fundraising really does make a huge difference to patients and their families. **We aim to provide the best care, when people need us most.**

"People don't appreciate the work Velindre does until the unfortunate time comes and you need it, then you realise how good a place it is and how hard people work there. They are amazing."
